

Pair Of Gilt Bronze Candlesticks From Restoration Period

1 500 EUR

Period : 19th century

Condition : Très bon état

Diameter : 10.5

Height : 27

Description

Beautiful pair of gilt bronze candlesticks, decorated for the base with wreaths of laurel leaves followed by a garland of roses. The central shaft is fluted and finished with Binets in the shape of a Medici vase decorated with oak leaves and acorns. Finally, the bobeches are also decorated with laurel wreaths. Beautiful alternation of matt and shiny throughout the decor. The set has simply been cleaned and in very good condition, they are made up of 6 parts (guarantee of quality). A note: a slight difference in size at the level of the bobeches. ideal to complete an Empire / Restoration decor.
