Description

Lise Eran (early 20th century) : "Still Life with Lemon", oil on panel 21 X 35 cm, mounted in a wooden frame 30 X 43 cm. We do not find much about this artist active in the second quarter of the twentieth century apart from the fact that she benefited from state purchases, but whatever, this Still Life which dates from the 1930s, treated somewhat in the style of Terlikowski, gives off an unusual power.
