Description

Exceptional 6-foot cuba mahogany table from the Louis Philippe period. With three chipboard extensions made by the customer. Table model with umbrella legs surrounded by a groove on the outline of the top. Very heavy due to the quality of the mahogany wood. Original rings and wheels. Top thickness 2 cm. Top 144 cm in diameter, height: 72 cm. And 74 cm for each folding shutters. Do not miss. Superb and rare!
