Description

Funny military engraving from the Empire or Restoration period useful for the cult of heroes "nothing pleases women so much as the courage of warriors". Pretty subject, fresh by its pastel polychromy, in its wooden frame gilded with the original gold leaf. One of those little details that complete an authentic decoration to recreate a decor and an atmosphere of the beginning of the 19th century. Good general condition, gilded frame with gold leaf, cleaned by our gilder.
Width 30.5cm Height 27.7cm
