Description

Superb and elegant oil painting on canvas late 17th century representing "the shop of the vegetable and poultry seller", painting by the Dutch school. It represents a young woman holding in her hands a doing in front of a basket of carrots. She is present in the frame, nt of her stall with in front of her a carpet, bottle and vase while in the background we can distinguish figures at the table. The colors remained bright and bright, the whole is presented in a carved and gilded wooden frame from the early 18th century. quality work in very good condition.
