

## Nineteenth Bench In Walnut

650 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

### Description

Elegant small bench in walnut from the XIXth century. It rests on a console base, straight belt clips and console armrest ending in a volute and lightly belted backrest. The high backrest allows a good support of the back, the whole is covered with a tartan fabric in good condition. Good quality work in good condition, comfortable and solid seat.
