Description

Old brooch formed by a mat gold decoration sprinkled with small double-row gold pearls and fine cords. In the center, an angel skin coral bead is set. The clasp is a pin with safety hook and can be disassembled. Period: 19th century Main material: yellow gold, 750 thousandths, 18 carats, own hallmark. Diameter of the coral bead: 17 / 17.5 mm. Proportions: Diameter: 3.2 cm, thickness: 17.6 mm approximately. Net Weight: Approx. 19.5g. Authentic old jewel - Italian work from the second half of the 19th century. Our opinion: This old coral brooch was probably part of a much larger set, because the fastening system is completely dismantled using a hinge, and allowed to fix the coral brooch on another support: bracelet, necklace ...
