Root Stand Or Console, 20th Century

1 600 EUR

Period : 20th century

Condition : Parfait état

Width : environ 135 cm

Height : 121 cm

Depth : environ 70 cm

Description

Tortuous and burnished, this root console borrows this taste for natural aesthetics from Chinese tradition. By working on a form already produced by nature, the craftsman only sublimates a movement, a knot or a perspective. The effect is admirable. Note that this root, by nature, weighs a considerable amount and will require a personalized delivery quote depending on the country, city and floor to which this console will be brought.

Delivery worldwide.
