Description
-------------

Charming watercolor by Pierre Valat, illustrating the fable: "the donkey and the little dog" by Jean de la Fontaine. We can see that all the characters of this fable are represented here: The donkey standing upright on its hind legs trying to imitate the little dog very awkwardly and striking a hoof hit on the chin of its Master. The latter immediately calling the servant Martin with a stick to help. Our watercolor is signed lower right but partially hidden by the stick of the frame. Shipping and protection costs 25 euros in metropolitan France, other destinations contact us.
