XIXth Painting Back From Fishing

680 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Width : cadre 65,5cm vue 54,5cm

Height : cadre 48cm vue 37cm

Description

Elegant oil painting on canvas from the XIXth century representing a maritime scene on the Normandy coast. We see in the foreground characters busy around a fishing net, several boats stranded on the shore. In the distance a village, all under a very slightly cloudy blue sky and a slightly agitated sea of sea green color. XIXth work representative of a scene of life in a fishing village where the colors remained bright and luminous, some old repairs not visible on the face.
