

PROANTIC
LE PLUS BEAU CATALOGUE D'ANTIQUITES

Pair Of Girandoles With Trophies 1820

10 500 EUR

Period : 19th century

Condition : Excellent état

Material : Bronze

Description

Description : Ormolu chiselled bronze and brown patina, white marble.

These unusual and large candelabras are designed on the principle of medieval weapon trophies, themselves inspired by those of Antiquity.

They are similar to the very detailed work of J F Théodore Geshter or N G Charpentier bronzers from the beginning of the 19th century, whose specialty was this.

The barrel is in white marble with a trefoil section and bears a shield, spears, a bow, a halberd...

Five arms of light in branches and foliage carry the binets in urns.

The central binets of each light have retained their plumed helmet finials. We are in a good quality with very detailed details.
