Description

Sculpture in carved wood and gilded with gold leaf representing an angel, winged putto. Originally, in his hands he carried a stick / light point, at the base we can see a circular hole on which the missing stick rested. The angel is positioned on a gray cloud and on an octagonal base. The proportions of the sculpture are perfect, the details are neat. The state of conservation is excellent, although it has not undergone any type of restoration over time. The good size allows it to be placed on a piece of furniture of reduced proportions. Dimensions: height cm. 47 - base cm. 19.5 x 17.7. Period: Louis Philippe The shipping costs for France (colissimo with tracking) are 35.00 euros, please contact us for all other destinations. We are at your disposal for any further information.
