

Glass Vase Montjoye

300 EUR

Signature : Montjoye

Period : 20th century

Condition : Très bon état

Material : Glass paste

Length : 14 cm

Height : 12 cm/14 cm

Description

Frosted and acid-etched glass vase decorated with enameled flowers on an opalescent Montjoye background. The glasswork, the contrasts of the material and the reliefs underline all the poetry brought to this decoration. Its gilded neck is also a sign of refinement. Characteristic work of Legras Montjoye. A very beautiful gift for these end-of-year celebrations
