### Description

FORMER BLOWN GLASS WINE  
DECANTER, FROM MEDOC. THE  
DECANTER IS EQUIPPED WITH A CORK  
STOPPER BORED BY A STRAW, COVERED  
BY A TASTING GLASS. DIMENSIONS: 52 x  
22 H 27 CAPACITY APPROXIMATELY 12L.  
Bottle used for the exposure of wine to the sun.  
The wines thus vinified and stored develop, over  
time, this famous aroma which associates the  
bittersweet notes of melted butter, hazelnuts and  
walnuts. Rancio brings a unique touch to old  
natural sweet wines and, completed by notes of  
cocoa and spices, gives the whole a nice  
complexity. Several pieces are available.
