

## Indian Knife 'bhuj'

350 EUR

Period : 20th century

Condition : Très bon état

Length : 72

Description
-------------

A 20th century Indian 'Bhuj' knife. This example is larger and heavier than the 19th century models and is a more modern interpretation of its predecessors. Just like the old ones, it has a concealed stiletto blade in the handle. The shaft and the elephant head are decorated with a silver koftgari work. The blade is blunt. In very good condition. Length 72cm. See the pictures.
