Description

Table art. Lovely and amusing pair of dancing helmeted cherubs, they are in bronze with golden patina, mounted on a black marble base from the XIXth century.This is the centerpiece holding bouquets of flowers.There was possibly a glassware in the rings, but given the slope it is not certain.These objects are in good general condition and clean, note that one of the two has undergone a small repair aimed at the base of a foot, it is barely visible and very solid see photos.Height: 11.5 cm.Marble base: 7.7 x 7.7 cm.Internal diameter of the rings: 2.6 cm.Weight of both: 986 grams.SHIPPING:To know the shipping costs before purchase, click on Buy online and select your country, or contact us by email.Careful packaging.Colissimo shipment with tracking, national and international, registered
