

## Columbine Bronze

1 600 EUR

Period : 19th century

Condition : Parfait état

Material : Bronze

Length : 20 cm

Width : 16 cm

Height : 61 cm

### Description

The bronze that we present represents COLOMBINE, the sculptor who developed it is called Alfred Pierre Richard born in 1844 - died in 1884. This sculpture of a very respectable size (61cm) rests on a base itself in bronze, included in size. Magnificent, very nice patina and pretty carving recovery. (E)
