

Antique Turquoise Pearls Gold Brooch

13 000 EUR

Period : 18th century

Condition : Parfait état

Description

This is an amazing wonderful antique brooch of the 18th century full of small turquoises and small pearls. It was carefully realized in 18K Gold perforated and chiseled to create many decorative motifs (flowers,curves etc..). Hanging we see many different motifs all carefully decorated and embellished with turquoises and pearls. The Gold is allover decorated with filigree and chiselled patterns. Probably French. Mid 18th century. 18K Gold (touchstone tested). An antique hallmark is on the pin. With the original box. It is in perfect condition. A museum-quality piece.
