

Stained Glass Banner, Art Nouveau Period

950 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Width : 45cm

Height : 80cm

Description

Pretty stained glass banner from the Art Nouveau period highlighting a magnificent vase of stylized flowers in a combination of radiant and nuanced colors. Original chain to hang it. Very good condition, only a crack in a piece of glass (see photo) it is not very important and without risk for the stability of the stained glass. A real painting that comes to life and transforms itself in the light of the light. A rare piece in this form.
