Description

Staircase-shaped piece of art deco period furniture. the continuity of the grain of the wood enhances the know-how of the cabinetmaker. (see between the two trays, the two drawers and even up to the plinth) the asymmetry, the cubist line, combined with the full empty alternation is rare during this time. the niche measures 44 cm / 57.5 cm high, the jump measures 47 cm / 40 in depth, its aesthetics, proportions and functionality make it easy to place. Delivery possible not included in the price
