Important Pair Of Modernist Wrought Iron Sconces

230 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Height : 37 cm

Depth : 18, 5 cm

Description

Wrought iron with "gun barrel" / black patina, decorated with windings and embellished with cups which accommodate the socket. Very nice scarification work on the windings and cups. Slight difference in height of the cups due to manual work, this difference being noticeable only when the wall lights are side by side. They are electrified and each of them is equipped with a domino. You will notice that the color of the electric wire is in perfect harmony with the tone of the wall lights. Dimensions: Height: 37 cm Width: 6 cm and 9.5 cm at the top winding Diameter of the cups: 11 cm Weight of the whole: 4.2 kg Good condition. Many other objects to discover in my stand at the antique fairs in which I participate. Follow my gallery to be informed of news and to know the dates of the next Trade
