### Description

Beautiful set of 8 lights in six elements that furnished a living room from the 1970s.

These lights are made of thick chromed and orange lacquered metal, the materials are of ++ quality (I did not research the creator or designer).

Period around the 1970s,

They consist of: A single-bulb ceiling light. Two double wall lights with two bulbs each.

Three simple wall sconces with one bulb each.

They are sold in their own juice, in good general condition, wear from use and oxidation on the
