## Description

Delightful oil on canvas of the orientalist painter Eugène Deshayes (1862-1939) representing a Mediterranean landscape during sunset.Titled on the reverse: "Casablanca".Very good condition, to note a small restoration not very visible just above the nearest boat, on the horizon line.Size of the work: 41 x 33 cmA student of Jean-Léon Gérôme, Eugène Deshayes exhibited in Algiers from 1890, then he traveled throughout North Africa.He exhibited at the Salon des artistes français where he received an honorable mention in 1896. His works were very successful, especially his paintings of Algeria. He became the official painter of the Navy in 1910.The shipment is careful and will be done the day after the reception of the payment.
