Description

Napoleon III period marquetry center table. Superb marquetry of native woods on a burl background representing a decoration of flowers and foliage of great finesse. This table has a large drawer and rests on four legs joined by a spacer. The belt of the tray is in gilded bronze. This table has been fully buffered (photos sometimes show what may look like flaws but these are only reflections). DIMENSIONS: 1.40 mx 0.78 m and 0.76 m high. Delivery on estimate.
