About ... Odyv
Odyv is the stamp of the Berlot-Mussier factory, a small Berrichonne factory created in 1927 and corresponds to the contraction of 2 first names ODette the daughter of Mussier and YVonne the sister of Berlot. Created in 1927, it will produce ceramics until the 1970s, with a prosperous period between 1930 and 1940. More than 300 vases were produced, numbered from 201 to 604
