

Midcentury Italian Bronze Sculptured Table Lamp By Gm Italia Bronze Colored Lamp Shade

2 700 EUR

Period : 20th century

Condition : Parfait état

Material : Bronze

Diameter : 38

Height : 57

Description

Mid-Century Italian bronze sculptured and gilded - bird in flight - table lamp by GM ITALIA, Firenze marked with a separate label. The brass object is fixed on a black colored marble base (width 23.5cm x depth 15.5cm x height 5.5cm). A new round shaped bourette silk lamp lampshade (diameter 38-36cm x height 30cm) in bronze color inside covered with beige foil completes the table lamp. GM Italia is an Italian luxury decoration manufacturer since 1960.
