Bordeaux Glass Thistle St-louis

160 EUR

Period : 20th century
Condition : Très bon état
Material : Crystal
Height : 14,5 cm

Description

An emblematic service from the Manufacture de Saint-Louis, the Thistle model was created at the beginning of the 20th century and is still manufactured today by the crystal factory belonging to the Hermès house. Very nice workmanship, this glass is gilded with fine gold. It is engraved under the Saint-Louis France crystal foot.
