Old Sandstone Bas Relief, Portrait Of An Aviator Or Autopilot Circa 1930

450 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Sandstone

Description

Quick description
Old bas-relief in sandstone, portrait of an aviator or racing driver around 1930. Very naive popular art sculpture, perhaps qualified as outsider art today. Carefully mounted on folded and worked sheet metal 7mm thick then patinated in our workshops. Presents wonderfully well while being perfectly stable. Dimensions 49cm in total height, 31cm in width and 16cm in depth
Price 450EUR
