

17th Century Enhanced Engraving Of Saint Catherine Of Alexandria By Jacobus De Man

250 EUR

Signature : Jacobus de man (1650-1719)

Period : 17th century

Condition : Bon état

Material : Paper

Length : 20

Width : 16

Description

Very beautiful engraving of Ste Catherine enhanced with gouache. She is represented here with several of her attributes. The crown evokes his royal connection. The wheel, the sword and the palm evoke his martyrdom. Good general condition, the paper has been slightly eaten at the lower right level at the level of the artist's signature. Frame size 20 x 16 cm
