### Description

Atypical Shelving - Wall Secretary - designed entirely in solid Cuban Mahogany, at the end of the 19th century. It is surmounted by a nicely cut pediment and presenting four small scrolls. This Retractable Cabinet consists of Five Shelves, Completely made of solid Mahogany. The main one, in the center, is a large Writing Tablet, called "Portfolio" since it unfolds in two parts. One is Metal while the other is of the same Wood Species as the Frame. These are fixed to each other with a long Brass Hinge. They are affixed to two folding consoles, each provided with a steel pull tab with button at the end. In the Upper part, this Storage Unit includes two Shelves offering increasing depths, ranging from 16.5 cm for the first to 21.5 cm for the second. They rest individually on the same Folding Supports as
