

Couch Said

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Mahogany

Length : 170 cm

Height : 89 cm (dossier) 39 cm (assise)

Depth : 66 cm

Description

Rare "confidant" sofa dating from the middle of the 19th century. The mahogany structure takes up all the decorative repertoire of the Louis-Philippe style: umbrella feet, rolling sticks in the armrest console, foliage pattern on the crosspieces. At the ends two rounded files are joined by a gallery with balusters. New upholstery and cover fabric as well.
