Description

This Solid Mahogany Billiard consists of a large Tray covered with a Slate Plate in Three Parts. Its mahogany frame is a guarantee of quality in French billiards, the latter is also embellished with mother-of-pearl inlays. This model is equipped with a Functional Electric Resistance Heating System placed under the Slate Plates, intended to stretch the Billiard Cloth to ensure better Rolling of the Balls. The Billiard rests on Four Large Turned and Grooved Feet. This game of skill was invented by the Nobles in the 15th Century who, followers of Croquet, wanted to practice whatever the weather and introduced a version of the game suitable for indoors. This Property signed by the brand "Toulet" will be a perfect training ground for a French Billiard Amateur.
