Description

Couple of bridge armchairs in solid beech covered with an original lemon yellow fabric. They have a straight and short backrest as well as a fabric seat in excellent condition, comfortable and squared from below, a guarantee of robustness. Large armrests with pronounced curvature bring refinement and taste to these seats with clean lines. The set rests at the front on two Saber Feet and is completed by two slightly reversed rear Feet. This chic couple of bridge armchairs with the charm of yesteryear will bring a Spring and Vintage touch to your interior. The natural light wood that composes them will match a warm contemporary decoration as well as a more Nordic and fresh one.
