Description

Radiant French school of the beginning of the XXth century representing a female nude with a yellow drape. It probably dates from the 20s. Good condition, the painting has just been completely restored. The canvas was mounted on cardboard, it is now on frame. It is also in a new oak frame with minimalist and pure forms. Dimensions of the work: 55 x 38 cm. Dimensions with frame: 61 x 43,5 cm. Note that the bottom of the painting and part of the background remained in the state of draft. In agreement with the restorer, these parts have not been "completed" in order to respect the original work of the artist. The shipment will be done the day after the payment is received.
