Description
-------------

Bronze trinket tray in the shape of a Cup on a base, dating from the early 19th century. This Pair of Vide-poches presents in the upper part a Bronze Cup with Brown Patina on a Shower stand. It is decorated with Foliage and is equipped with two Golden Bronze Handles. It rests on a Circular Bronze Barrel with grooves carrying two Garlands of Flowers. This Barrel is itself arranged on a Square Base Base with Concave Angles. These Decorative Objects are perfect for accessorizing a Fireplace Shelf or an Entrance Cabinet on which you would place these Storage Pockets which, as their name suggests, will relieve you of what you do not know where to store, and which up to - there encumbered you.
