### Description

Charming Middle Coffee Table, with Wrought Iron Structure, from the 1950s. Its Oval Shaped Top is made up of Onyx Marble elements, juxtaposed with other Marbles of Various Green Shades, sparse with Reddish Veins. The Base of this Furniture, in Wrought Iron in Spring Green color and with discreet Golden Reflections, is made up of four Double Scrolled Feet. They are gathered together by four Elements of Iron, terminated in windings, and united in the center by an Oval ring. The Aerial Allure of this Table - which it owes to the presence of Nicely Wrought Iron - combined with the Presence of its Marble, will allow the whole to fit into interiors of all styles.
