Description

19th century Dutch school

Genre scene in a tavern

Oil on metal plate

17 cm x 20 cm

A scene inspired by 17th century Flemish painting, in a tavern an elderly man seated at a table drinks a beer from a large covered mug and smokes a pipe, in the background 3 men are talking.

Realistic details like a broom, a letter recall the symbolism of the golden age of Dutch painting. Small format, it is an oil painting finely made on a metal plate.
