Description

FRENCH or SWISS school from the beginning of the 19th century

Portrait of a woman in a white dress in a mountainous landscape

Oil on canvas

Inscribed in pencil on the reverse on the stretcher

Femme du Maître de poste de Longeau ??

73 x 59.5 cm

Old fruitwood frame

Note: according to the old inscription on the back of the stretcher, it could be the portrait of the wife of the postmaster of the town of Longeau in Switzerland, in the canton of Berne, which seems to be confirmed by the background of snow-capped mountains.
