Description

Large pair of candelabras in solid mahogany and macassar ebony veneer stamped JALLOT.

Probably by Léon (1874-1964) or Maurice Jallot (1900-1971) but for lack of documentation and knowing that many of Maurice Jallot's creations were unique pieces, I cannot precisely attribute the author. Were once electrified lamps.

The varnish needs to be redone and one arm moves a little.
