

Oil On Canvas, The 18th Shipwreck

2 500 EUR

Period : 18th century

Condition : Bel état

Material : Oil painting

Width : 50.5

Height : 42.5

Description

The storm is raging in this painting. The sky is shady and lightning flashes.

The waves are raging and on the right in the background a boat has just crashed against the coast.

Men and sailors save a woman. In the distance, a second boat will surely sink and sailors are in a canoe.
