Description

Elegant faux wood fountain, treated in the style of rockwork, dating from the second half of the 20th century, in good condition. A set of 24 jets, on the periphery of the basin, oriented towards its center, animate two small basins, three planters adorn its perimeter. Our last photo shows a similar fountain topped with flowers. The height of the basin is 80 cm from the ground. You can visit our website: www.claudeaugustin.com
