

## Management Board

3 800 EUR

Period : 18th century

Condition : Très bon état

Material : Mahogany

Diameter : 82 cm

Height : 76 cm

### Description

Very beautiful tripod pedestal table from the Directoire period in mahogany veneer with gallery, resting on three patinated bronze-style mahogany legs with lion heads ending in lion claws, spacer shelf. Very beautiful Parisian production, the lion heads are relatively rare, from the Directoire period in the return from Egypt style, close to the furniture of the end of the reign of Louis XVI announcing the Empire style.
