Italian Dagger, Flaming Blade

650 EUR

Period : 19th century

Condition : Très bon état

Length : sans fourreau 37.3 cm, avec fourreau 38.5 cm

Description

Fine quality Italian dagger, with a so-called "flame" blade
BLADE: Elegantly shaped, after a short ricasso, it has a lozenge section, 2 cutting edges, and has the shape of a flame
Blade length 25 cm width 3 cm
GUARD:Steel, very nice cutting work at the level of the twisted quillons. The central part of the guard rises towards the grip to serve as a lower ferrule.
POMMEL : In the shape of a twisted mushroom, with nice cutting work.
GRIP : in twisted varnished hardwood
SCABBARD wood covered with leather
Remains of small fleur-de-lys decorations.
This dagger has a beautiful shape, it is obvious that it must be presented out of its sheath, to
