

## Early 16th Century Altarpiece Elements

2 200 EUR

Period : 16th century

Condition : Accidents et manques

Material : Painted wood

Length : 70

Width : 70

### Description

Superb Altarpiece panel elements in oak carved in the round polychrome early 16th century.

Three elements from an altarpiece evoking the resurrection of Christ and forming a triptych.

Original polychromy. Numerous accidents and lacks, in particular the Christ. There we find the sleeping soldiers guarding the tomb, terrified by the resurrection of Christ.
