

Pair Mid-century Side Tables Brass Bamboo Design White Marble Top 70s

3 200 EUR

Period : 20th century

Condition : Parfait état

Material : Brass

Diameter : 50

Height : 52

Description

These two decorative small tables have a slightly conical base, which gives the whole thing a fine sophistication. The legs have a slight rib which corresponds to a bamboo look. The clear, almost white stone gives the whole thing a certain objectivity.
