Description

Dutch school of the 18th century The lesson in the open air

Oil on parquet panel of 63 cm by 48 cm
Very beautiful old frame of 81 cm by 67 cm

Superb painting painted with great finesse and pretty colors. Around a young schoolmaster, young people are grouped at the edge of a village. The right part of the painting opens onto a landscape with a beautiful perspective. The work bears traces of an illegible monogram.
