Description

ROUSSEAU Jean-Jacques (1861-1911)

"View of the Thames in London, 1899"

Oil on canvas,

Signed, dated 1899 and located lower left,

Beautiful work by the painter Jean-Jacques Rousseau which represents a view of the animated Thames power plants. We can distinguish ships and in the background the power plants in full operation, with smoking chimneys. This work is a beautiful and rare testimony to the industrial air in London at the end of the 19th century.

We know of the artist another view of London
