Description

Rocking Chair in Curved Beech, attributed to the famous cabinetmaker Mickael Thonet (1796-1871), and which offers the unusual advantage of being sold with its retractable footrest. The backrest and seat, with rounded lines, are covered with artisanal Cannage in perfect condition. This Rocking Chair, the result of Viennese work, benefits from Quality Wood, an essential condition for the realization of this curved Beech structure. Note in particular the Perfect Circles, intertwined in pairs, which make up the sides of this piece of furniture. The footrest is removable and adjustable in four notches. It is provided at its end with an oval recalling the junction between the backrest and the seat, and pivoting on itself, thus adapting to the position of the feet. We see on the underside of the seat the
