Wonderful pair French restauration gilt doré and patinated bronze neoclassic five-arm candelabra. The candelebrag consists of a square gilt and patinated bronze base. It is decorated with a gilded ornament of a laurel wreath. The vase is also patinated and fitted with gilded leaf ornaments. The candle holders are decorated curled leaves/ferns. The beautiful contrast between the gilded and patinated bronze is again reflected in the candle holders. These candlesticks are an absolute addition to any interior.
