Description

Captain's navy trunk in camphor*, plates, reinforcements and lock in gilded brass, with its original ring lock, from the 19th century. This trunk is in good condition. We have his key, the lock works, ringing system when you turn the key to close or open. Small interior compartment. A note: traces of restorations (small grafts, restored slits, on the brass reinforcements ... etc), some shocks and scratches, some stains and wear of time, take a good look at the photos. * The camphor tree or camphor tree is a tree of the Lauraceae family, from which camphor is extracted by distillation of its wood. . For this reason, it was for a long time used for the manufacture of trunks to transport furs and clothing.
